# KOBAN ST

230V MAX. 1 x 15W E27

## Assembly instructions

**NOTE: Perform the operations with the power off.**
1. Unscrew the lampshade.
2. Assembly light source in the bulb holder.
3. Tighten the lampshade.
4. Connect the lamp to the power supply.

**ATTENTION !!!!**
**Do not carry the luminaire by its upper element.**
**This can damage the lampshade.**

Used or broken electrical equipment must not be thrown into the trash bin together with other waste. Used device should be taken to a point of separate collection of municipal waste or a point of utilization of electrical equipment. Proper waste segregation is a very important aspect of environmental protection and must be strictly observed.

**WARNING: The installation should be performed by a qualified electrician.**
