YOTTSU A/B/C

230V MAX. 19.2W

Assembly instructions

WARNING: Assembly lamp with the power off.

1. Install the lamp mounting bracket to the ceiling.
2. Connect the power supply to the connection block, then close the block.
3. Unscrew the cable lock in the holder and then insert the cable into the holder.
4. Remove the excess cable through the side opening in the holder.
5. Attach the lamp to the brackets previously mounted on the wall with mounting nuts.

Used or broken electrical equipment must not be thrown into the trash bin together with other waste. Used device should be taken to a point of separate collection of municipal waste or a point of utilization of electrical equipment. Proper waste segregation is a very important aspect of environmental protection and must be strictly observed.

WARNING: The installation should be performed by a qualified electrician.
